Traffic Operation—Bridgnorth Town

Due to reports of Antisocial Driving throughout Bridgnorth, and taking in to account the Town Council Priorities the Safer Neighbourhood Team along with colleagues from Road Traffic Policing and Special Constables undertook an operation to tackle the issue. This Operation was a huge success with 1 vehicle being seized for no insurance, 25 warnings being given and 3 drivers being reported for speeding. There was also a positive breath test carried out. This is the second traffic operation in recent months and both have been a great success. We will continue with this type of operation on a regular basis as requested by the Town Council.

Traffic Officers have issued 14 traffic tickets for speeding on the A454 at HILTON on 29/08/2021

There was a great turn out at the Water safety day at Severn Park, Bridgnorth. We were supported by West Mercia Search and Rescue and Shropshire Fire Service. The Fire service and the search and rescue team carried out several displays of rescue within the river. We were also supported by the police Cadets from Shrewsbury who did a great job showing members of public around the police vehicles. This was a fun but informative day warning of the dangers of entering open water.

Shropshire
Fire and Rescue Service

Road Policing—Officers from our Road Policing team have been carrying out Speed enforcement on the A442 (Quatt / Quatford).

This will continue to be a regular operation.

Neighbourhood Matters is the new community messaging system replacement and is being rolled out to the public this month. This will enable the police to send out alerts related to crime, to the Bridgnorth communities. We can also share surveys, upcoming events and more. You can sign up for neighbourhood matters from this link www.neighbourhoodmatters.co.uk/ #SignUp
